JUST WISHES.
I wish I were a lordly chef
In some first-class hotel;
Three times a day I'd stuff myself
Of things I like so well.
I wish I were a soda man
Who opens up the "fizz,"
I'd mix myself drinks all the time,
The very best there is.
I wish I owned a theater,
In my exclusive right;
I'd know the actresses and see
A drama every night.
I wish I were a chauffeur so
That I could ride all day
All through the countryside and have
No puncture bills to pay.
I wish I were all this and that,
But if I were I know
I'd wish that I were something else,
So guess I'll let it go.

As a result of the strong protests filed by G. A. R. Veterans against permitting Colonel Bennett H. Young of Louisville to become the principal speaker in the centennial exercises to be held in St. Albans, Vt., Colonel Young has written a letter to Governor Proctor announcing his withdrawal of his acceptance.

Texas can lead all States in the number of freak laws on the statute. Hotel keepers in that State are required to have sheets nine feet long on the beds; another law makes it a felony for a man to take a drink or play a game of cards on a train, and the latest is a law which requires people to give ten days' public notice before getting married.

WHEN Editor WALTON of The Kentucky State Journal laid down the pen, one of the brightest lights of the fraternity went out. Barring his, at times, ferocious and often brutal attacks of "editorialitis," his was one of the most trenchant and versatile of pens. The pen is mightier than the sword and Br'er WALTON often ran his enemies through to the hilt with his stylus. But it's hard to learn an old man new tricks and the Press gang will leave the door open for the early return of the prodigal.

Judge Hutchins is in Cincinnati today on important law business. He will also attend the banquet of the Military Order of the Loyal Legion at the Queen City Club tonight.

A daughter of the late Senator Stewart of Nevada married Mr. Wood Fox, a native of Mason county and a son of the late Dr. Thomas Hall Fox, who now resides in San Francisco. Miss Lattie Taylor Fox of this city is a brother of Mr. Wood Fox. Senator Stewart was a man of remarkable talents and pluck. He was one of the original free silver Republicans and his fortune was swept away when he was quite aged. Undaunted, he at once went to work and made another fortune.

MISS SUE BIERBOWER.

Mr. Frank Bierbower received a telegram yesterday announcing the death of his sister, Miss Susan Bierbower, Monday, in Guadalajara, Mexico.

GEORGE W. WILT.

Mr. Wilt was stricken Saturday night with serious stomach and heart trouble. He was in the 71st year of his age, being born at Tanleytown, Md., and going to Indianapolis, coming to Maysville just before the Civil War. From here he went to Flemingsburg in 1885, and had since resided there with his family.

B. P. O. E. of Maysville Planning to Build Elegant New Structure

The first story will be almost solid glass walls and will be devoted entirely to the social features of the Lodge; the second floor will be the reception quarters, a spacious parlor being reserved for the ladies; the third floor will be the Lodge and ante-rooms, the whole to cost between \$30,000 and \$50,000.

Cures Dyspepsia; Trial Is Free

It is a popular mistake that only wealthy people who eat rich and highly-spiced foods suffer from dyspepsia, or, as it is also known, indigestion. The laborer in the field also finds himself a victim of this disorder. Among the very greatest sufferers from it are women.

Dyspepsia is indicated by a constant feeling of lassitude, by loss of appetite and troubled sleep, by sour stomach and distress after eating, by bad complexion and listless eyes.
There is no surer and speedier cure for this trouble than Dr. Caldwell's Syrup Pepsin, which dyspeptics have been using successfully for twenty years. This great herb laxative compound cured Capt. Clark, of Buffalo, Ia., of dyspepsia and sour stomach that he had had for forty years, Dr. Caldwell's Syrup Pepsin. It cured Joel Adams, of Montgomery, Ala., after suffering continuously for sixteen months. It is not expensive to be cured with this grand remedy, as it can be bought at any drug store in a 50-cent or \$1 bottle.

Your very neighbors are probably lifelong users of Dr. Caldwell's Syrup Pepsin, but if you want to know without expense what it will do for you personally, send your name to Dr. Caldwell and he will be glad to send you a free trial bottle. He is actually anxious to have you make a test of his remedy.

Thousands of families everywhere keep it in the house against such an emergency as constipation, sour stomach, indigestion, biliousness, dyspepsia, heartburn, torpid liver, etc., which may come on a member of the family any day. It is pleasant to the taste, acts gently and does not gripe. It is the great children's laxative tonic.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

A STRADDLE

Is the Decision of the Supreme Court On the Commodities Clause

The New York Herald says in regard to the Hepburn Rate Law:

"The highest judicial tribunal in the land cannot be suspected of joking, but the decision rendered today touching the commodities clause of the act to regulate commerce is calculated to make the corporation groundlings smile.

"Yes," said the Court in effect, "the clause prohibiting railways from transporting commodities which they produce, or in which they are interested, is constitutional, but the Government is all wrong in its interpretation of it. A railway may carry coal or other commodity of its own production provided it has first sold it in the State in which it is produced. Also, it may carry the commodity if the latter is owned by a corporation, the stock of which is owned by the railway."

UNION LEAGUE

Next Meeting to Be Held May 14th at Baptist Church

On account of the revival services, which will continue during the week at the First Baptist Church, the meeting of the Union League of Christian Endeavor that was to have been held Friday evening, has been postponed one week. It will be held Friday evening, May 14th, at the Baptist Church. A splendid program has been arranged. "Loyalty" will be the theme and there will be three ten-minute addresses as follows:

"Loyalty to Christ"—President A. O. Bowden.
"Loyalty to Our Church"—Prof. J. W. Bradner.
"Loyalty to Our Society"—Miss Mary L. Wilson.

To the Secretary of the Union has been entrusted the responsibility of keeping the count of those who attend from the different Societies, so that the banner may be awarded without the necessity of counting during the meeting. The different Societies are reported to send revised lists of their membership to the Secretary before the time of the meeting.

Let all our young people remember the date of this meeting and be prepared to attend in large numbers and make it indeed a "Loyalty" meeting.

Don't Make a Mock-Sacrifice

The duty of dressing well is, primarily, a business one. Secondly, it is a question of self-respect and good taste. No worth-while consideration urges carelessness in dress. It is not "economy"; it is not "self-sacrifice" for one's family, for it would be a mock sacrifice; it is not to be condoned on the plea that one is "too busy" with more important things, for there are not many things more important.

One of the number said he would bet \$— that he could pick three certain winners. Wood and John Eitel.

THE VALUE OF PROPRIETARY MEDICINES

is proven by the very large percentage of physicians' prescriptions for the same remedies found in every drugstore in America, but as they are written in Latin, few patients realize this fact.

The old standard proprietary medicines like Lydia E. Pinkham's Vegetable Compound, that have stood the test of time, deserve a place in every family medicine chest, and it is most certain they would not be prescribed by physicians if they were able to devise a formula equally as efficacious.

DEFENSE OF THE "MONGREL"

Gentry Shows' Expert Says the "Cur" Makes the Best Performer

There are all kinds of dogs around the Gentry Brothers Famous Shows, which come to Maysville Friday, May 7th, and while most of them are of aristocratic origin and are "tony" to the last degree, there are many in the canine department of the trained animal shows whose family trees have been badly twisted and who emerge from the ancestral forest to receive the classification of "mongrel."

In the opinion of William Wells, chief animal trainer with the Gentry Shows, the "mongrel" is more apt to be a "quick study" and a "good performer" than the dog of high degree, and Mr. Wells explains his position in this wise:

"The high bred dog has the stuff in him all right, and under proper conditions will make a good performing dog, but generally the dog with a pedigree has led the lazy life until laziness just comes natural."

"Now, the mongrel has had to hustle for the better part of his dog's life. He has had to look out for himself, and that has made him bright and active and willing to learn."

BURDENS LIFTED

From Maysville Backs—Relief Proved By Lapse of Time.

Backache is a heavy burden; Nervousness wears one out; Rheumatic pain; urinary ills; All are kidney burdens—Daily effects of kidney weakness. No use to cure the symptoms; Relief is but temporary if the cause remains. Cure the kidneys and you cure the cause. Relief comes quickly—comes to stay. Doan's Kidney Pills cure kidney ills. Prove it by your neighbor's case. Here's Maysville testimony: The story of a permanent cure: William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon brought me relief. I cheerfully endorse this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1908, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been lasting and I am now in good health."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
